

Program Innovation Summit on Sustainable Polymers

June 8th 2018 – Media Evolution City, Stora Varvsg 6A, Malmö

8.30 Coffee & Registration

9.00 Welcome & Introduction

9.05 Tobias Nielsen, PhD, Department of Political Science – Lund University
STEPS and Pathways to Sustainable Plastics

9.25 Marie Davies, Sourcing Manager -Duni
Duni – Challenges & Needs

9.45 Mohammad H. A. Ibrahim, PhD & CTO - Bioextrax
Bioextrax – Biobased and biodegradable PHA

10.05 Coffee

10.25 Martin Bohlén, PhD Forskare -RISE Biovetenskap och material – Kemi, material och ytor
RISE – Biodegradable Polymers

10.45 Magnus Klügel, Polymer Specialist - Axis
Axis – Challenges & Needs

11.05 Baozhong Zhang, Associate Professor - Department of Chemistry, Lund University

11.25 Coffee

11.35 Arne Hansson, CEO, Ideon Open
Ideon Open - Polymers & Open Innovation

11.50 Patricia Oddshammar, VP Biocomposites- Stora Enso
Stora Enso – A New Polymer Material

12.10 Rounding up

12.15 Lunch
